Re: National Category

The annual fall USWOA Executive Board Meeting was held October 20-21, 2006 at which time your category was reviewed. It is with great pleasure that I inform you of your upgrade to **USWOA National Category M1**. Your hard work and expertise have enabled you to reach this level of officiating. I want to thank you for all the time you have given as a USWOA member. I congratulate you and look forward to working with you in the near future. Keep up the good work.

Please keep this letter with your license booklet and have the chief official, assigned at any regional or national event in 2007, write in your upgrade and sign his/her name verifying your upgrade.
