Cashmere Summer Duals and Individual Technique Camp Information

The Cashmere Wrestling Club will be renting the Chelan County Fairgrounds and is looking for at least 30 high school teams for 2.5 days on the 25th, 26th and 27th of July. This camp is nothing but duals followed by an individual single elimination tournament. There simply isn't any substitute for live wrestling! We tried to pick a date that would not interfere with similar camps in the state. We simply wish to provide more wrestling options, on different dates, centrally located in the heart of Washington.

The fairgrounds provide an all-inclusive facility, including: an air conditioned pavilion where all wrestling will take place, a coach's room, separate male and female showers, and a gated campground.

This year we have added an individual technique camp bringing in guest clinicians **4X All-American Damion Hahn** and **4x All American Gabe Dean**. This will be held prior to the Team Camp on the 23rd and 24th. We will be limiting the amount of participation at 135 kids, so the wrestlers and clinicians can be equally functional in learning and instruction. Coaches bringing team to individual camp will not be charged. Again the campground will be free for all attending. Obviously any and all wrestlers staying on Fairground property must have a coach staying with them. **NO EXCEPTIONS**
